Dear Mrs. Varcoe,

I was very pleased to see "Curtis Valley Sunday school Review of 1980" in The Wayne Independent (Saturday, January 17, 1981, p. 3). I thought that you might like to have some extra copies of the article, and have enclosed five of them.

The Curtis Valley school materials, as well as the Henry Banning Curtis Bible class book from 1866, were mailed back to you last week. If you have not yet received them, let me know and I will initiate a postal investigation to find out (1) where the letter is, and (2) why it has not yet been delivered to you. I am confident, however, that the school materials that I borrowed from you are once again safely back in your hands. Thanks again for allowing me to borrow and to make copies of them.

The temperature was in the mid-30s here yesterday. For a moment it seemed like Spring.

All is well with me, and I hope that all is well with you.

Sincerely,

*Robert Powell*
